

Modonna Gray

It is a privilege to serve as a Board member of United Voices of Efland-Cheeks, Inc. alongside others dedicated to our rural northern Orange County Community.

My life experiences include being a widow, mother of two beloved sons, proud of my precious four grandchildren, 34 years working in Healthcare Administration plus being an active member of Efland United Methodist Church. As a working member of our church, I serve as Chairperson of the Hospitality Committee, Community Outreach Chair, and a Trustee. Pastor Marsha Altmeyer and I continue to Co-Chair the Collaborative Churches of Efland. Working in our faith community provides me with opportunities not only to serve but also an avenue to develop new and lasting friendships. Programs change, new needs are identified, new goals are addressed yet, there will always be a space for one to make a difference in the life of our fellow citizens.
