

Thomas Gibson

After retiring as an Information Services Director for various corporate and municipal agencies, I became a volunteer at Orange Literacy for nine years where I conducted many classes for adult learners in local schools, libraries and correctional center locations within Orange County. In 2024 I was bestowed the Governor's Award For Volunteer Service in recognition of my efforts.

I have a BS in Economics from the Pennsylvania State University, a BA in Accounting from the William Paterson University and an MBA from the University of Connecticut. In my retirement I enjoy gardening, assembling wooden puzzles and reading non-fiction books.
